Here is a revised cover letter for your review and comment. Guy – I took out most of the language relating to the information request letter. That language will be in the Enclosure.

John wants a concise “here are the basic facts. You are in violation of, or out of compliance with X”. He also wants a list of questions to ask to bolster any enforcement action we might take, which may be a multi-media action. Please edit or comment, as appropriate, as John wants the letter out this week.

Thanks in advance.
